### Consulting Services For AGRICULTURE

The Pennsylvania SBDC network offers no-cost, confidential business assistance to PA farmers, food processors, farmers' markets, restaurants, retail and wholesale food entities, food trucks, and ag-related support services.

#### We offer free and low cost **EDUCATIONAL TRAININGS & EVENTS**

Informational sessions on topics such as compliance, finance, planning and expansion, cybersecurity, market research, environmental assistance, and more.

#### We provide **INDIVIDUAL & TEAM CONSULTING**

Confidential, no-cost consulting to assist business owners with business plan development, farm transitions, financial management, and growth strategy.

#### We recommend **PROCESS IMPROVEMENT STRATEGIES**

Assistance implementing protocols to protect producers, workplaces, employees, and customers against potential health and safety threats.

#### We help businesses find **ACCESS TO FUNDING PROGRAMS**

Support accessing and applying for federal, state, and local lending and grant opportunities, including SBA, USDA and other commercial funding programs.

Funded in part by  
**pennsylvania**
